

MADDIE MANN

B.S. BIOCHEMISTRY, COLLEGE OF IDAHO

Email: maddiermann44@gmail.com GitHub: github.com/maddiemann

EDUCATION

The College of Idaho - Caldwell, ID

- Bachelor of Science: Biochemistry
- Minor: Data Science
- GPA: 3.95 (4.0 scale)
- Expected Graduation: December 2026

Aug 2023 - Present

AWARDS

- Frank Blood Scholarship - Award for Exceptional Chemistry Student
- Dean's List

January 2025

December 2023-Present

RELEVANT EXPERIENCE & PROJECTS

INBRE Student Researcher | Montana State University Clonger Lab

May 2025 - Aug 2025

- Conducted independent and collaborative research in a biochemistry-focused laboratory.
- Performed wet-lab techniques including SDS-PAGE gel electrophoresis, western blotting and multi-step protein purification including expression of E. coli.
- Collected, analyzed and interpreted experimental data using Excel and ImageJ.
- Assisted with troubleshooting, optimization of procedure and maintaining organized lab notebook.
- Participated in lab meetings and presentation of research and presented findings in undergraduate poster session.

Biology, Chemistry & Math Tutor | The College of Idaho

Aug 2025 - Present

- Provided one on one and small group tutoring in general biology, general chemistry, and calculus.

Analysis of Prostate Cancer Progression | Personal Project

- Developed machine learning classification and regression models to predict prostate cancer survival outcomes and identify genomic and tumor microenvironment factors associated with genomic instability.
- Utilized Python, pandas, scikit-learn, and data visualization techniques to perform preprocessing, feature importance analysis, cross-validation, and model evaluation.

SKILLS & COURSE WORK

Computational: Python (pandas, scikit-learn), R (tidyverse, ggplot, Shiny), Git, Excel, ImageJ.

Statistics: Biostatistics, Data Visualization, Supervised Learning

Laboratory: SDS-PAGE, Western Blotting, Protein Purification, E. coli expression.

Courses: Data Visualization & Manipulation, Statistical Machine Learning, Linear Regression, Genetics (Biology pre-requisites), Organic Chemistry 1 & 2, Biochemistry, Multivariable Calculus.

CAMPUS INVOLVEMENT

ASCI Senate | The College of Idaho

September 2024 - Present

Student Union Building Committee | The College of Idaho

Aug 2025 - Present

Cheer Team | The College of Idaho

Swim & Dive Team | The College of Idaho

VOLUNTEER

Emergency Room Volunteer | St. Luke's McCall

- 60 hours
- Assisted nursing staff with cleaning rooms and attending to patients.
